

The AEMA and Football Green Book have created an alliance to better provide National recognition for the benefits and opportunities for its membership and their respective programs.

- *FREE Nationwide promotion of the [AEMA and the AEMA membership](#) currently employed by the NFL and collegiate football programs.*
- *Promotion of the [AEMA Certification program](#), a requirement of the NFL and most colleges, to assist football program administrators seeking qualified employees for job opportunities.*
- *Scholarship Opportunities as the Football Green Book is honored to participate in the [AEMA/Football Green Book Scholarship](#) in conjunction with the existing [AEMA Student Manager Scholarship Program](#)*
- *NOCSAE News regarding established industry standards and performance levels of athletic and recreational equipment and apparel published daily.*
- *Networking Opportunities that allow for discussions on current issues facing the profession and the sharing of problem-solving tips and tricks of the trade.*
- *National Convention, held annually in June in various locations across the U.S.*

District and Conference Meetings to discuss existing topics and issues
