# Athletic Equipment Managers Association Convention

## Dear Prospective Exhibitors:

The 2023 annual Athletic Equipment Managers Association Convention will be held June 4-8, 2023 at the Omni Oklahoma City Hotel in Oklahoma City, OK.

We are expecting another great convention with hundreds of equipment managers from across the country to be a part of this special convention that is meant to enhance and grow the athletic equipment profession through education, certification, and relationship building.

The Convention will include lots of meetings, events, presentations, and other time slots for our membership to share ideas and learn from one another.

As an exhibitor, we have some new, wonderful opportunities for you to put your company or organization directly in front of those who make all the purchasing decisions for their athletic departments and teams.

Sign up and register today... <https://equipmentmanagers.org/>

If you have any questions or concerns, please contact us:

-**Scott Jess** (sjess@bgsu.edu)

-**Kelly Jones** (kjones@gettysburg.edu)

We look forward to working with you and we cannot wait to see you in Oklahoma City as we collectively grow the future of the athletic equipment profession.
